This matter comes before the Public Service Commission of South Carolina (the Commission) pursuant to the terms of our Order No. 97-940, issued on October 31, 1997, wherein we ordered Staff to institute an investigation into impact fees and all other rates being charged by Carolina Water Service, Inc. in the Lake Wylie area. Staff was ordered to report its findings to us after said investigation as soon as was practicable.

Staff has now reported back to us with its findings. We hold that the findings merit an evidentiary hearing in this matter. (We already held in our Order No. 98-30, issued January 15, 1998, that a night hearing in the Lake Wylie area should be granted.) The evidentiary hearing shall be held at such time as may be designated by Staff.

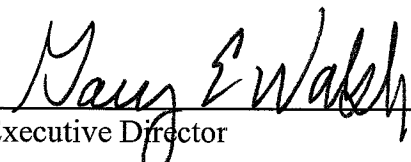

This Order shall remain in full force and effect until further Order of the
Commission.
